

CLAIRE MCGILL

Claire is an interdisciplinary creative whose passion is creating dynamic objects and spaces. With over 7 years of experience in both residential and commercial interiors, Her goal is to shape positive experiences through design; both through process and result.

EXPERIENCE

Interior Designer & Technical Lead / Unionworks (full time)

April 2024 - January, 2026

- Led interior design development for high-end residential and commercial projects from concept through construction administration, overseeing design documentation, and execution
- Managed multiple projects concurrently, coordinating timelines, deliverables, and consultants
- Developed design narratives and material concepts aligned with client vision and constraints
- Developed and maintained comprehensive design documentation, including specifications and drawing set progress for permit, bid, and construction

Project Associate / Ghislaine Viñas (full time)

October 2023 - April 2024, NYC

- Collaborated on project design and management, from concept to installation
- Produced detailed floor plans, elevations, and renderings using AutoCAD & SketchUp
- Designed and documented custom furniture and lighting pieces
- Designed fabric and wallpaper repeat patterns for product launches

Project Designer & Technical Lead / Ashli Mizell (full time)

June 2021 - October 2023, Philadelphia

- Managed FF&E specifications and procurement within project budgets and schedules
- Produced presentation materials, CAD drawings, and full construction document sets
- Coordinated construction, conducted site observations, and reviewed shop submittals

Project Coordinator / Hacin + Associates (full time)

July 2020 - June 2021, Boston

- Managed FF&E and accessories procurement while tracking budgets and schedules
- Maintained and updated CAD drawing sets across multiple active projects
- Provided interior design development through sourcing and presentation

Project Assistant / Safdie Architects (full time)

January 2020 - July 2020, Boston

- Supported design and documentation from concept through construction administration
- Created furniture, fixture, finish, and equipment specifications for contractor coordination

Design Intern / Elkus Manfredi Architects (full time)

August 2019 - January 2020, Boston

- Worked with architectural teams and external consultants to develop CD sets
- Supported material selection, sourcing and documentation of FF&E schedules

Interior Design Intern / Hacin + Associates (part time)

January 2019 - August 2019, Boston

- Developed plan and elevation drawings in AutoCAD and Revit
- Assisted with procurement efforts and custom sourcing requests

Design Assistant / Havenly (part time)

July 2018 - January 2019, Boston

- Developed material selections, floor plans, and 3D renderings tailored to client style & budget
